Rebates are only available to consumers who *replace an existing appliance* with a new ENERGY STAR qualified clothes washer, dishwasher, freezer, or refrigerator.

Arrangements for haul-away of the old unit should be made through retailers at the time of purchase or through municipal, private, or electric utility recycling services.

Only products purchased from participating retailers on September 24, 2010 8:00 a.m. – 9 p.m. *or until funds are exhausted* are eligible for rebates. Rebates are limited to one per product category per customer. Rebates are applied at the point of sale as a 15% discount (\$250 per item cap) on the eligible product.
